For the Attention of State and Club Secretaries, Club Support Team

Great news ANWEL has been working on a way to make paying levies easier for everyone.

Some clubs have already collected their riders \$10 levy, they have a couple of ways to update their members. EITHER give riders their \$10 back and get them to register themselves OR the club secretary could register on Nominate the riders from whom they have collected the \$10 levy.

Riders levies are now due FOR THE FINANCIAL YEAR 17/18. Our membership year is 1<sup>st</sup> July 2017 to 30<sup>th</sup> June 2018.

All working equitation riders who wish to compete in any ANWE club activity, whether at their own club or any other affiliated club, **MUST REGISTER BEFORE RIDING.**

When you pay your levy, you will be issued with a member number which is now required to be entered on all entry forms for all ANWE affiliated club's working equitation events. (Please note clubs are to request the ANWEL membership levy number on all entries. These can be checked on Nominate.)

More exciting news is that when you have paid your levy you will be entered on the ANWEL National data base.

ALL RIDERS WILL THEN BE ABLE TO BE NOTIFIED SIMULTANEOUSLY OF ANY URGENT OR IMPORTANT INFORMATION OR SPECIAL EVENTS HAPPENING IN AUSTRALIA e.g. overseas trainers coming to Australia, National and State competitions.

The procedure to pay the riders levy on Nominate is:

1. Go to Nominate website
2. Click clubs
3. Click Join a club
4. Click join on Australian National Working Equitation
5. Follow the prompts

Or you can use this easy link:

<https://www.nominate.com.au/Clubs/RegistrationInformation.aspx?CID=81>

*The feedback from those who have gone completely electronic for club membership, practise days and comps via Nominate is that it's a very clear & simple process which enables them to instantly run reports, see who has paid and be able to quickly find any emergency details etc as they are in one location.*
